2017 Career Fair

Presented by the Society of Women Engineers at The Ohio State University

Ohio Union
February 1st, 2017
1:00 pm – 6:00 pm

Name badge required for admission
Welcome and thank you for attending the 32nd Annual SWE Career Fair!

The Society of Women Engineers (SWE) is an international non-profit organization dedicated to promoting women to succeed in engineering and as leaders. SWE membership is open to both men and women who are supportive of women, as a minority, in pursuing a career in the engineering field.

The money raised from this event will go towards assisting other engineering student organizations on campus in addition to providing scholarships and programs to meet our key pillars of professional leadership, education and outreach, knowledge, and reaching our full potential.

On behalf of the Ohio State SWE chapter, I would like to thank all of the people who helped make this event a success. I want to give a special thank you to Amy Franklin and the staff at Engineering Career Services. Their support and dedication continually helps link students to employers through the career fair and their services. Also, thank you to the committee chairs who provided their time and efforts in coordinating volunteers and ideas for this event:

- Ally Fomich: Civil Engineering
- Erin George: Computer Science and Engineering
- Katie Goodge: Chemical Engineering
- Kendra Harder: Biological Engineering
- Lexi Hemker: Mechanical Engineering
- Natalie Kennedy: Industrial and Systems Engineering
- Rachael Knapp: Mechanical Engineering
- Maggie Noschang: Civil Engineering
- Akshara Sreedhar: Materials Science and Engineering
- Stiphany Tieu: Chemical Engineering

We would also like to thank all the student organization volunteers for their time and hard work.

Lastly, thank you to all the companies for coming today. We wish you all a successful career fair. A special thank you the sponsors of this event. Your support is greatly appreciated!

Best of luck! We hope you enjoy the 2017 SWE Career Fair.

Your 2017 SWE Career Fair Coordinator,
Anna Stanton

The following companies will be interviewing on campus the day after the SWE Career Fair (Thursday, February 2nd) and will be signing up a limited number of students for interviews that day. If you are interested in the opportunities offered by these employers, stop by their booths at the career fair.

February 2 Interviews:

Many February 2nd interviews will be held in the Great Hall Meeting Room at the Ohio Union. BE SURE TO ASK THE EMPLOYER WHERE YOU ARE INTERVIEWING!

Save the Date!

Ohio State Engineering Job Shadow Program
One day of your choice March 13-16, 2017

2017 ENGINEERING EXPO
September 26-27, 2017
1:00 pm – 6:00 pm

• Network with companies & engineers
• Gain insight into engineering careers
• Spark interest in area of study/industry

Must be registered with ECS to participate
Sign-ups in ECS February 6-17, 2017
from 9am-4pm daily!

A123 Systems

A123 Systems, LLC develops and manufactures advanced Nanophosphate® lithium iron phosphate batteries and energy storage systems that deliver high power, maximize usable energy, and provide long life, all with excellent safety performance. Founded in 2001, A123’s proprietary Nanophosphate technology is built on novel nanoscale materials initially developed at the Massachusetts Institute of Technology. Today, A123 Systems is headquartered in Livonia, MI and employs more than 2,000 people.

Degree Levels: BS, MS, PhD
Majors: Computer Science, Electrical & Computer, Mechanical
Position Types: Career Employment – Graduating Students & Alumni
Work Authorization: Eligible to work without visa sponsorship

Location: Grand Ballroom - 5

Abbott

Abbott is a diversified global healthcare company providing breakthrough products in diagnostics, medical devices, nutrition, and pharmaceuticals. The Sylmar, CA facility designs and manufactures implantable cardiac rhythm management devices. We are seeking talented welding engineers to join our Welding team. This team is responsible for developing microwelding processes used in the assembly of pacemakers, defibrillators, and leads, primarily using resistance and laser welding.

Degree Levels: BS
Majors: Welding
Position Types: Internship
Work Authorization: Eligible to work without visa sponsorship
