The Ohio State University
Ohio Union
Wednesday, February 4th, 2015
11:00 am – 4:00 pm
Program needed for admission (10:30 admission with stamp)

Find the complete program information on your iOS or Android app (see inside program)

OSU CAREER FAIR+
Full program also available online at swefair.engineering.osu.edu
Welcome and thank you for attending the 30th Annual SWE Career Fair!

The Society of Women Engineers (SWE) is a national non-profit organization dedicated to promote women to succeed in engineering and as leaders. SWE membership is open to both men and women who are supportive of women, as a minority, in pursuing a career in the engineering field.

The money raised from this event will go towards assisting other engineering organizations on campus in addition to providing scholarships and programs to meet our key pillars of professional leadership, education and outreach, knowledge, and reaching our full potential.

On behalf of the Ohio State SWE chapter, I would like to thank all of the people who helped make this event a success. I want to give a special thank you to Amy Franklin and the staff at Engineering Career Services. Their support and dedication continually helps link students to employers through the career fair and their services. Also, thank you to the committee chairs who provided their time and efforts in coordinating volunteers and ideas for this event:

Lauren Biales Wise  
Judy Chen  
Rachel Dubois  
Kelley Dugan  
Denise George  
Erin George  
Pallavi Keole  
Shannon Kopcha  
Erin Maher  
Leila Mansour  
Callie Marks  
Carolyn Wang

These students are pursuing the following engineering disciplines:

Civil Engineering  
Industrial and Systems Engineering  
Civil Engineering  
Mechanical Engineering  
Materials Science and Engineering  
Mechanical Engineering  
Chemical Engineering  
Chemical Engineering  
Chemical Engineering  
Chemical Engineering  
Biomedical Engineering

I would also like to thank all the student organization volunteers for their time and hard work.

Lastly, thank you to all the companies for coming today. I wish you all a successful career fair. A special thank you the sponsors of this event. Your support is greatly appreciated!

Best of luck! I hope you enjoy the 2015 SWE Career Fair.

Your 2015 SWE Career Fair Coordinator,
Erica Brackman
Chemical Engineering 2016
The following companies will be interviewing on campus the day after the SWE Fair (Thursday, February 5) and will be signing up a limited number of students for interviews that day. If you are interested in the opportunities offered by these employers, stop by their booths at the career fair.

February 5 Interviews:

American Woodmark; ArcelorMittal; Archer Daniels Midland (ADM); BRP US Inc; Evinrude; Cargill; Caterpillar; Expedia Inc; General Motors; Georgia Pacific; Grunley Construction; Harris Corp; Honda of America; Hyland, Creator of OnBase; Ingersoll Rand Co – Trane; Intel; Inteva Products; Kiewit; Kimley; Horn & Assoc Inc; Liberty Mutual; Lubrizol; Marathon Petroleum; MIT Lincoln Lab; Nalco Champion; Nationwide Insurance; Rockwell Automation; Rosetta; Southwest Research Institute; Tata Consultancy Services; TE Connectivity; Timken; TimkenSteel Corp; United Airlines; ViaSat; Whirlpool Corp

Many Feb 5 interviews will be held in the Great Hall Meeting Room of the Ohio Union—BE SURE TO ASK THE EMPLOYER WHERE YOU ARE INTERVIEWING!

Ohio State Engineering
Job Shadow Program
One day of your choice March 16-20, 2015

- Network with companies & engineers
- Gain insight into engineering careers
- Spark interest in area of study/industry

Must be registered with ECS to participate
Sign-ups in ECS Jan. 29-Feb. 12 from 9am-4pm daily!
OSU CAREER FAIR+
A full-featured iPhone, iPad and Android app that puts the power to prepare for fairs in your hands.

Search for OSU Career Fair Plus on the App Store and Google Play Store.

FEATURES+

COMPLETE COMPANY LISTING
Search for companies based upon major, work authorization, and position type
Detailed information on each company accelerates your research

FAIR TIPS SECTION TO HELP YOU PREPARE
Get tips and advice on your appearance, elevator speech, and general approach
Success stories don’t just happen. They are made.

**Take your first step on a management career path.** Our Professional Development Programs put you on the fast track for professional and leadership opportunities throughout Bosch. Within 24 months you will complete four rotations, one of which is international. You will be partnered with an executive mentor for professional coaching and gain leadership exposure through structured networking events. You’ll get to know the company inside and out, make independent contributions and cultivate your skill set. Start your career with Bosch’s Professional Development Training Program for Bachelor’s level candidates or the Junior Managers Program for Master’s graduates.

What should you bring to the table? An innovative mindset, flexibility, results-oriented spirit and, of course, leadership potential. Think you’ve got it? Join Bosch and begin your exciting career today.

**Apply now.** Discover your potential with our Professional Development Programs.

[www.boschcampus.com](http://www.boschcampus.com)
The distance between imagination and...creation

When you work with us, you’re not just making quality automobiles; you’re building a future that’s as strong and attainable as our products. Our opportunities, and yours, are endless; because we go as far as our talents can take us – and then, we Go Further.

**Ford Motor Company is looking for talented people to fill positions in Manufacturing and Product Development.**

The distance between you and an amazing career has never been shorter. Join the Ford team today, and discover the benefits, rewards and development opportunities you’d expect from a diverse global leader.

Bring your talents to Ford and help us build an even greater future, for both of us.

Connect with us and be part of the growing Ford community at

Facebook.com/FordMotorCompany/Careers

twitter.com/FordCareers

linkedin.com/company/ford-motor-company

www.careers.ford.com

By choice, we are an Equal Opportunity Employer committed to a culturally diverse workforce.
85 years of innovation

>120,000 employees
>140 nationalities
~85 countries of operation

Who are we?
We are the world’s largest oilfield services company¹. Working globally—often in remote and challenging locations—we invent, design, engineer, and apply technology to help our customers find and produce oil and gas safely.

Who are we looking for?
We need more than 5,000 graduates to begin dynamic careers in the following domains:

- Engineering, Research and Operations
- Geoscience and Petrotechnical
- Commercial and Business

What will you be?
Schlumberger
In a world of increasing complexity, there is a way to be certain.

In a fast-evolving marketplace which demands leadership that brings results, there exists a way of certainty: Tata Consultancy Services (TCS). With TCS as your strategic advisor and partner, the ever-changing new landscapes of business become new vistas of opportunity, from digitally connected consumers to big data to emerging markets to end-to-end solutions for transforming your organization. TCS offers you market-proven, world-class experience, expertise and guidance to show the way for your business to evolve. Visit tcs.com and you’re certain to learn more.
**Bosch**
In the U.S., Canada and Mexico, the Bosch Group manufactures and markets automotive original equipment and aftermarket products, industrial drive and control technology, packaging technology, power tools, home appliances, security and communication systems, thermotechnology, healthcare telemedicine and software solutions. Having established a regional presence in 1906, Bosch employs 24,600 associates in more than 100 locations with consolidated sales of $10.4 billion in 2013.

**Ford Motor Co**
Ford Motor Company is about more than making world class vehicles—we Go Further to meet the needs of our customers, the challenges of our industry and the issues confronting our world. In order to do that, we are looking to attract top talent. Personal development is valued and employees are encouraged to learn, build skills and continuously improve. Working at Ford, you and your team will Go Further each day to deliver great products, build a strong business and contribute to a better world.

**Schlumberger**
Schlumberger is the world’s leading supplier of technology, integrated project management and information solutions to customers working in the oil and gas industry worldwide. Employing more than 120,000 people representing over 140 nationalities and working in approximately 85 countries, Schlumberger provides the industry’s widest range of products and services from exploration through production.

**Tata Consultancy Services (TCS)**
Tata Consultancy Services is an IT services, consulting and business solutions organization that delivers real results to global business, ensuring a level of certainty no other firm can match. TCS offers a consulting-led, integrated portfolio of IT, BPO, infrastructure, and assurance services. This is delivered through its unique Global Network Delivery Model (GNDM™), recognized as the benchmark of excellence in software development.
